

A LIVE BAND FOR LESS THAN THE COST OF A DEEJAY!

**Are you planning a company event for the holidays?
Elmwood Court would love be involved!**

**We have an acoustic / easy listening set that is
perfect background music for a banquet or reception.**

**And this year, we are mixing in some holiday tunes
(but not the ones that get worn out every year).**

**Our website includes a partial playlist with
samples that you can hear for yourself!**
